## **WOMENS STATE OF ORIGIN 1 SCHOOL AMBASSADOR FUNCTION**

On June 1st, we hosted NRL School Ambassadors who play a significant role in Women's Rugby League in schools. Former Jiltaroo, Samantha Bremner provided great insight into her journey to become one of the greatest women's players and how school opportunities played a huge role. Thank to our school staff and to Samantha.

## **STATE OF ORIGIN 1 SCHOOL AMBASSADOR FUNCTION**

On May 31st, we hosted over 30 teachers from South Australia prior to State Of Origin 1. It was great to connect with our highly engaged school staff from SA and talk about further opportunities for their students. We hope all school staff enjoyed their Origin experience.

### **STATE OF ORIGIN 2 SCHOOL AMBASSADOR FUNCTION**

On June 21st, we hosted many NRL School Ambassadors from South East QLD prior to SO02. It was great to connect and recognise school staff. All attendees were given our great insight into Origin by former Maroon Michael Hancock.

### **WOMEN'S STATE OF ORIGIN 2 SCHOOL AMBASSADOR FUNCTION**

## 1. Favourite NRL Team?

St George Illawarra Dragons

## 2. What role does Rugby League play for your students?

It provides many of them with an opportunity to build new friendships and a sense of purpose at school. For others it's the enjoyment of learning a new game and taking on new challenges surrounded by close friends and classmates.

## 3. What's your favourite school Rugby League moment?

Getting my current school's first ever Rugby League team off the ground after years of trying to get a team together. Seeing the kids come to school on a Friday dressed ready to play, some even with their headgear and mouthguard already in makes it all worthwhile.

## 4. What's your favourite general Rugby League moment or experience?

Would have to be growing up with the footy show on Channel 9 every Thursday night.
