October's Major Moments

2024 NRL Schools Conference

Our annual conference took the Gold Coast by storm!

What better way to celebrate World Teacher's Day than by coming together to give back to all of the incredible teachers that make Rugby League the greatest game for all! Friday the 25th was a beautiful day and it was fantastic to see everyone completely engaged and taking part in a range of breakout sessions. From a Q&A with Brad Fittler, to on field activities and brainstorming sessions, it was an amazing opportunity to connect with our growing NRL Schools Community! Thank you to everyone who attended, and Happy World Teacher's Day!

Game Day Experience

2024 NRL and NRLW Grand Final

We capped off the season with an appreciation event for some of our wonderful NSW ambassadors. Teachers from around NSW were treated to 2 x tickets to the 2024 NRL and NRLW Grand Finals as well as invitations to our exclusive pre game function. We were also lucky enough to welcome Murat Dizdar, the Secretary of the NSW Department of Education, as a guest speaker.

REGIONAL HIGHLIGHTS

QLD North

On Thursday the 24th of August the NRL team from Cairns organised a Rugby League 9s gala day for girls from years 7/8. The team wanted to provide the junior secondary students with an opportunity to not only participate, but also experience the local rugby league community. In providing these young girls with the opportunity to participate, the goal is for them to continue their rugby league journey in 2025, whether that be through Schoolgirls or Club Rugby League.

NRL Game Development Officer's and Assistant Development Officers have put in some great work with our secondary schools, creating a positive learning environment for students and staff. A special mention goes out to all teachers and schools who took part, who without, this gala day would not be possible.
