## November's *Major Moments*

### 2024 Schools Spectacular

*A Spectacular Weekend at Olympic Park*

It was a fantastic weekend out at Sydney Olympic Park for the 2024 Schools Spectacular. The rain didn't curb our enthusiasm as we had students from around NSW trying their luck at a pass the ball and guessing competition for prizes.

## **NSW Northern** *A big month for the Northern Corridor*

The month of November attracted massive numbers at NRL Game Development activities across the Northern Corridor. In collaboration with the Newcastle Knights, the Newcastle team completed 7x Stage 1 League-tag events across 6 LGA's. The events connected seven Hunter Junior Rugby League Clubs and saw the largest ever gala day in the Hunter. Over the 7 events we engaged 191 teams, 73 schools and 1775 participants.

On the Central Coast, our team ran four stage 2 & 3 league-tag gala days across all of the Central Coast PSSA Zones. These events saw a total of 3200 students participate in League Tag across 38 primary schools. The kids were also lucky enough to meet NRLW Sydney Roosters Star Jayme Fressard!

In North Sydney, the annual Kids v Cops at Barker College Tag Day saw 6 schools take part and included Marsden HS, Asquith Girls, Knox Grammer, Barker College, Oakhill college and Kur-in-gai HS. Brad Fittler from the NRL attended on the day to support the great event.

### *NRL Beach Touch*

This month the SEQ team held the first Southeast QLD High School NRL Beach Touch Gala at Sandstorm Beach Volleyball in Brisbane. It was a fantastic event, with over 300 students participating in a 3v2 mixed format across 4 fields.

## Northern Territory

### *Isolated Children & Parents Association NT*

Outstation families converge on Mataranka for the many children to engage in a League Stars session, while parents had the chance to re-engage in a social setting. Although hot & humid...the smiles say it all.
